Freight forwarding, Transport, Logistics

THE POWER OF THE GROUP

Today Transmec Group is one of the leading operators in the world of transport and logistics. An organization with an international mentality boasting a network of it's own depots, strategically placed throughout the world, empowering us with the ability to fulfil all your requirements in the handling of your goods.

Our **mission** is to give you the tools to win new business.
Our **promise** is to solve all your transport and logistics problems.

Speed **Flexibility** **Safety**

These are not mere words, but real imperatives that allow us to offer to our customers a service with added value, granting: individual service, flexibility, versatility to allow you to achieve your targets.

A BRAND NAME WITH MORE THAN 150 YEARS OF EXPERIENCE.

1850
Domenico Montecchi starts the carrier activity

1930
"Autotrasporti Montecchi Gaetano" was born

1960
followed by:
"Domenico Montecchi Trasporti Internazionali"

1997
"Trasporti Internazionali Transmec S.r.l." becomes a joint-stock company (S.p.A.)

TODAY
Transmec Group network operates worldwide

40 offices and branches worldwide

380 sub-contractors with exclusive agreements

600.000 annual shipments by land

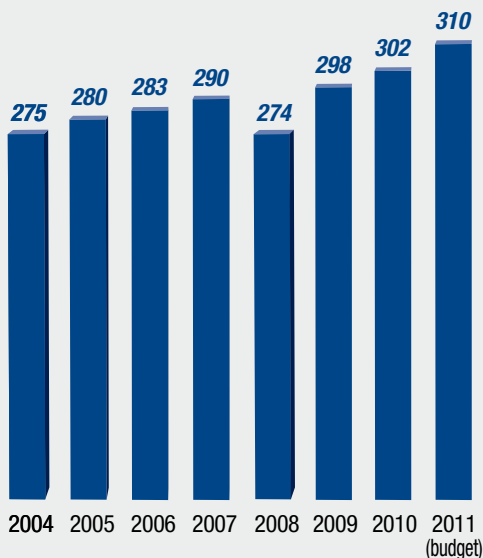

22.000 annual trips by land

30.000 annual teus by sea

20.000 annual air freights

TRANSPORTS

BY LAND

Thanks to an extensive **vehicle fleet** and our strategically placed **network of offices and warehouses**, widespread across Europe, our Road Freight service is second to none. It is simply the **quickest and most reliable**, enabling us to resolve all your shipping requirements.

Groupage

- consolidated import/export service for all the European countries
- daily departures to the main areas in Europe
- services of widespread distribution/delivery on booking

FTL

- direct services /FTL for the main European countries

24h Overnight express

- express consolidated service
- express shipments with dedicated vehicles
- next day express deliveries

Transmec Group guarantees the reliability and fastness of its 24h Overnight service, thanks to a shuttles system with multiple equipment, able to connect all the different hubs in 24 hours!

Special divisions, Furniture, fashion, fitness

- delivery/widespread distribution to: shops, shopping malls, points of sale, private houses
- customer service/products installation /sales returns-returnable goods recovery with specialised and trained staff

Constant traceability thanks to the new **TOMTOM WORK** system

Are just some of the vehicle variations available.

BY SEA/BY AIR

Thanks to our sound relationships and consolidated agreements with key shipping lines and airlines, also for the professional support of our trained **people** working hard for Transmec in offices placed throughout the world, we are able to guarantee **direct assistance** in line with Transmec's philosophy of quality and professionalism.

by Sea
